Hi, Catherine and Phil...

Concerning the subject IA, please note that you have a 1-day project period (9/27/11 - 9/27/11). This is not feasible since you have to allow for billing and other potential issues. We propose a start date of today (award date) running until 10/31/11 - to allow for billing. If you need more time, we can always amend.

Unless you object, we will proceed.

Thanks...
